**ADMINISTRATIVE LAW JUDGE'S RULING  
PROVIDING FOR ADDITIONAL COMMENT**

On May 20, 2003, the Chief Administrative Law Judge mailed the principal hearing officer's proposed decision to all parties, and provided for comments pursuant to Rule 77.2 of the Commission's Rules of Practice and Procedure. The proposed decision included official notice of California Water Service Group's 2001 Annual Report to Shareholders and the internet web site [www.calwater.com](http://www.calwater.com). On June 9, 2003, California Water Services Company

(Cal Water) filed its comments, which included, among other things, an objection to the Commission taking official notice of the two items. Cal Water provided a legal analysis of the basis for its objection as well as substantive discussion of the facts. Cal Water also indicated that had it been afforded an opportunity to comment on the items to be officially noticed, it would have provided additional explanation.

To provide Cal Water, and all other parties, a further comment opportunity on the items proposed to be subject to official notice, the parties may file and serve supplemental comments no later than Tuesday, June 17, 2003. Such comments shall be limited to these two items and shall not exceed five pages in length.

Therefore, **IT IS RULED** that the parties may file and serve supplemental comments as set out above.

Dated June 11, 2003, at San Francisco, California.
